

Trainee Lifestyle / Sports (m/f/d), Munich

As a trainee at superneo you get the opportunity to expand your skills and knowledge through a variety of tasks that prepare you for a career in the creative communications industry.

We are looking forward to a highly motivated, new team member who is curious and has the desire to go on a super journey with us.

Tasks

- Support the team in its daily tasks.
- Create content plans and newsletters.
- Manage projects effectively.
- Maintain distribution lists.
- Organize events.
- Conduct research and handle organizational tasks.

Profile

- Interest in lifestyle brands from the areas of sports / lifestyle, among others.
- Relevant studies or training.
- First experience in the field of communication (marketing, PR) through internships or other opportunities.
- Team player.
- Excellent German and very good English skills.
- Open and communicative nature.

We offer

Super exciting tasks for super sports / lifestyle brands, super development opportunities, a super workplace with super nice colleagues, a super work/life balance model and super flexibility with super equipment.

PS: We are not looking for nerds. We want rockstars. So put your grades away and show us with your meaningful application who you really are and what you expect from us. Live or digital.
